

**Registration Form**  
**Rocky Point Observatory Bird Banding Workshop**  
**March 19-21, 2010**  
**Victoria, BC Canada**

Please note: All participants will be required to sign a liability waiver

Full Name:

Address:

Phone Number(s):

Email address:

I am a student at \_\_\_\_\_ (institution).

Are you associated with a bird banding organization? If so, which one(s)?

Please describe your level of experience with bird handling.

What do you hope to get out of this workshop?

Do you have Peter Pyle's Identification Guide to North American Passerines \_\_\_\_ If not, would you want to purchase it (approximately \$70) at the workshop? \_\_\_\_\_

**The following questions will help us determine how to design the course to best fit the participants' needs. The course is open to people with all levels of experience, so please answer as accurately as possible.**

Approximately how much time have you spent in the field identifying birds?

How many hours have you spent banding birds? \_\_\_\_\_ Approximate number of birds banded? \_\_\_\_\_  
 Types? (passerines, waterfowl, raptors, etc.) \_\_\_\_\_

How many hours have you spent extracting birds from mist nets? \_\_\_\_\_

Indicate your ability to identify and age/sex (without the assistance of others) bird species in the following groups: (Excellent, Good, Fair, No experience)

	Identify	Age/Sex
Warblers and vireos		
Sparrows and finches		
Thrushes		
Empidonax flycatchers		

Please add any additional information that will help us plan our course so that it meets your needs.
